

## Netzwerk Adapter TP-Link TL-PA201

Hersteller: TP-Link  
Herstellerbez.: TL-PA201  
Verpackung: Retail

Teilenummer: 75300006

- High speed data transfer rate up to 200Mbps
- Easy Plug-N-Play operation, Use existing electrical wiring
- HomePlug AV standard compliant, work with AC input of 100V~240V
- Low power consumption
- Intelligent channel adaptation maximizes throughput under harsh channel conditions
- Supports IGMP managed multicast IP transmission, optimizes IPTV streaming
- Built-in QoS, prioritize the data, enabling smooth video streaming and lag-free gaming.
- 128-bit AES encryption to secure power-line communications
- Transmission range up to 200m over household power supply grid
- Support Push Buttons 'Pair' and 'Reset' on the case, no need for software
- Supports Windows® Vista™

### Software Specification

Standards: HomePlug AV 200Mbps  
IEEE 802.3 10/100 Ethernet

Modulation Technology: OFDM

Protocol Support: TCP/IP

Network Operating System Support: Windows 98SE, 2000, XP, 2003, Vista

Advanced Feature: Build-in QoS and Error Correction feature  
Intelligent channel adaptation  
Support 128-bit AES encryption

### Hardware Specification

Interface: Ethernet LAN Port \* 1

Plug Type: EU, UK, AU (replaceable)

LEDs: Powerline, Power, Ethernet, HP 1.0 DET

Range: 200M in house

Certifications: CE, FCC, RoHS compliant

Dimensions (LxWxH): 104 x 71 x 38 mm

4.1 x 2.8 x 1.5 in.

Weight: 165 grams

Environment: Temperature: +0 ~ +60 °C

Humidity: 10% ~ 90% RH

Power Consumption: <6W
