

Netzwerk Adapter TP-Link TL-PA101 Starterkit

Hersteller: TP-Link
Herstellerbez.: TL-PA101 Starterkit
Verpackung: Retail

Teilenummer: 75300007

- High speed data transfer rate up to 85Mbps
- Twin Pack design good for establishing a powerline network initially
- Easy Plug-N-Play operation, use existing electrical wiring
- Turn every power socket into a LAN port
- Energy consumption is reduced by up to 30% in standby mode
- Intelligent channel adaptation maximizes throughput under harsh channel conditions
- Built-in QoS, prioritize the data, enabling smooth video streaming and lag-free gaming.
- 56-bit DES encryption to secure powerline communications
- Up to 200 meters range over the household power circuit for better performance through walls or across floors
- User-friendly software for PC (Windows XP/2000/2003/Vista),
- Backward compatible with HomePlug 1.0

Software Specification

Standards: HomePlug Turbo, IEEE802.3, IEEE802.3u
Modulation Technology: OFDM
Protocol Support: TCP/IP
Network Operating System Support: Windows 2000/2003/XP/Vista
Advanced Features:

- Build-in QoS feature
- Intelligent Channel adaptation
- Support 56-bit DES Encryption

Hardware Specification

Interface: 1 10/100Mbps Ethernet Port
LEDs: PWR, PLC, ETH
Range: 200 meters in house
Certifications: CE, RoHS Compliant
Dimensions (L×W×H): 92×70×44 mm
Weight: 125 grams
Environment:

- Operating Temperature: 0~ 60°C
- Storage Temperature: -40~ 80°C
- Operating Humidity: 10%~ 90% non-condensing
- Storage Humidity: 5 %~ 90% non-condensing

Power Consumption: < 4 W
